

Privacy Statement

OUR COMMITMENT TO PRIVACY

Your privacy is important to us. The Scripture Union Council, together with our various organising committees (“Scripture Union” or “we”) are providing this notice to describe and explain our online information practices and the choices you can make about the way your information is collected and used.

THE INFORMATION WE COLLECT AND HOW WE COLLECT IT

In general, you can visit this web site without telling us who you are or revealing any personal information about yourself. There are times, however, when we may need information from you. Personal information like your name, postal address and e-mail address is obtained only when voluntarily submitted. Scripture Union collects this information in different ways:

- Through the camp booking systems, surveys and other online forms
- Through the volunteer application and administration system
- Through our internally managed contact system which is shared with the online system To provide you with timely, high-quality information, we may also ask you to provide us with information regarding your personal interests and experiences with our camps, committees or retail outlets. Providing us with this information is optional. Personal data collected online may also be combined with information you provide to us through other sources such as personal contacts, or in conjunction with events such as music concerts, outreach events, training seminars and conferences. Information that you supply will relate to the relationship that Scripture Union has with you or your organisation.

YOUR SCRIPTURE UNION PROFILE

Your Scripture Union profile is created using the data collected above. Creating a Scripture Union Profile enables you to:

- Specify your preferences related to Scripture Union’ communication with you via e-mail or post
- Gain access to any restricted site content
- Subscribe to Scripture Union e-news and prayer letters which are delivered to your inbox and targeted to your interests
- Receive e-mail alerts when key content goes live
- Auto-populate form fields with personal information when you make online transactions or complete event booking forms.

INFORMATION ON MINORS

Scripture Union is a youth-focussed organisation, aimed at supporting the needs of young people and families. To support the services that we provide it is essential that we gather and hold information on minors (under 18 years of age). The information that we gather and hold on minors is no different to the information we gather and hold on adults. When a minor interacts with our camp booking system, we make it clear that all bookings are subject to the written consent of a parent or guardian. The parent or guardian can be provided with a full printed copy of the information disclosed by the minor.

CONSENT FOR PHOTOS

Consent for photos is requested from the booker, for those under 18 attending Scripture Union Events. This permission is confirmed through the required signed consent form. Granting consent for photos means that photos taken by or on behalf of Scripture Union may:

- Be shared via a social network site or other photo sharing site
- Appear on the Scripture Union Website
- Be used in Scripture Union Promotional Materials Where consent for photos is not provided by the booker/parent/guardian, Scripture Union commits to make all reasonable efforts to ensure that any photos of the individuals will not be used as noted above where taken by or on behalf of Scripture Union. In the event of an individual (for whom photo consent has not been granted) appearing in a group photograph, Scripture Union will make every effort to obfuscate the individual where we wish to use the photograph. In the event of an individual appearing in a published image, without formal consent, Scripture Union commits to removing said image as quickly as possible, as far as is practical and within its control. Scripture Union has no control over photos taken by campers at our events and we ask that cameras and mobile phones are not used in the bedrooms.

DATA PROTECTION

Scripture Union, as a non-profit organisation, is exempt from registration with the Data Protection Commissioner as a Data Controller. (<http://dataprotection.ie/viewdoc.asp?DocID=1089>).

Scripture Union does however recognise its christian and moral and obligations to safeguard information provided to us by our supporters and customers, to ensure that we only gather information which is absolutely necessary and to only hold it for as long as necessary.

PERSONALISED URL LINKS AND PERSONALISED MESSAGE CONTENT

Occasionally, we may create a unique web URL link for certain visitors. (For example, links to consent forms, or camp booking payment screens). If you visit one of these sites, you may find forms that are already filled out with your name, or other types of information you have previously indicated an interest in, based on information you have given us before.

We may also personalise the content of newsletters, e-mail offers or invitations based on topics in which you have previously indicated an interest. We collect information about how you consume this type of personalised information in order to help us provide you with other information that is better tailored to your interests.

If you choose to visit one of these personalised web URL links, you are agreeing to allow Scripture Union to collect information about your visits and also to associate that information with other information about you and your relationship with Scripture Union. If you do not wish your information to be used in this way, do not accept the invitation to visit these sites.

If you decided that you want to fine-tune the information that Scripture Union is providing to you, this can be done through updating your Scripture Union profile or contacting us directly.

Once your payment has been validated, Realex will inform Scripture Union and your booking will be updated. At no time does Scripture Union have access to your credit or debit card information.
